Harmony's third cross-metropolitan workshop

Harmony held the third cross-metropolitan workshop at the POLIS conference, in Brussels

Brussels, 4 December 2022

Harmony's 3rd Cross-Metropolitan Workshop took place at the Harmony booth (Grand Hall) at the POLIS annual conference in Brussels on the 30th of November from 13.35CET – 14.25CET.

What is the POLIS conference?

*Each year, the POLIS Conference provides an opportunity for cities and regions to showcase their transport achievements to a large audience of mobility experts, practitioners and decision-makers. The venue (The Egg Brussels) ran at full capacity with **more than 800 participants** who could attend over **40 sessions** about relevant topics suggested by the members of our powerful network (read the whole text [here](#)).*

What is the cross-metropolitan workshop?

Cross-metropolitan workshop was held to efficiently disseminate preliminary findings and collect feedback from key actors. The content of this workshop contained the Harmony overview, use cases in e-Trikala and Rotterdam, the results of the stakeholder engagement activities in HARMONY, and Policy recommendations for SUMP, MOBY data collection with the results obtained in TURIN.

This project has received funding from the European Union's Horizon 2020 Research and Innovation Programme under grant agreement N°815269. HARMONY is a project under the CIVITAS Initiative, an EU-funded programme working to make sustainable and smart mobility a reality for all. Read more - civitas.eu.

Press Release

This third workshop was organized by one of the consortium partners: [ENIDE Solutions](#), moderated by [Vicent Pastor](#) (*Head Of Corporate Development / Chief Innovation Officer at ENIDE*) and it was open to all the attendees of the POLIS conference: metropolitan and city authorities, industry professionals, academics/researchers, students, relevant NGOs, etc. Other consortium partners that took part in the workshop´s agenda are the City Of Rotterdam, e-Trikala, TNO, and TRT TRASPORTI E TERRITORIO SRL.

Harmony's 3rd cross-metropolitan workshop was aimed at:

- Informing the audience on the HARMONY project and its outcomes
- Exploring the applicability of the current HARMONY MS to matters concerning spatial planning in other areas (regions/cities)
- Identifying potential improvements and extensions
